**Re: United States v. Eric Walker Docket # 21 CR 459 (CS)**

Dear Judge Seibel;

This matter is scheduled for a status conference on the VOSR on August 29. As Your Honor knows, Mr. Walker was indicted in New York State court, Orange County, on homicide charges. He was recently arraigned on those charges, and remains in the Westchester County jail while the state case proceeds. I do not expect any material developments in the state case until sometime in the fall.

I have conferred with the government. In light of the pending state case, the parties respectfully request that the Court adjourn the VOSR status conference until early November, when we will hopefully have some better idea of the progress of the state case. We will advise the Court promptly of any significant developments in the state case prior to the next status conference.

Please note that I expect to be on trial before Judge Román from November 6<sup>th</sup> through the 14<sup>th</sup>.

Thank you for your courtesy and consideration.

Respectfully yours,

  
JOHN S. WALLENSTEIN
